

**REQUEST FOR PUBLIC COMMENTS
ON DRAFT AIR PERMIT
REGULATING THE EMISSIONS OF AIR POLLUTANTS**

(Docket No. 06-CA-PA-5)

Pursuant to Hawaii Revised Statutes (HRS), Chapter 342B-13 and Hawaii Administrative Rules (HAR), Chapter 11-60.1, the Department of Health, State of Hawaii (DOH), is requesting public comments on a **DRAFT PERMIT MODIFICATION and RENEWAL** presently under review for:

Covered Source Permit (CSP) No. 0258-01-C

Application for Modification and Renewal No. 0258-03

Grace Pacific Corporation

325 TPH Asphalt Concrete Plant

Located at: Honokohau Quarry, Kona, Island of Hawaii

The **DRAFT PERMIT** is described as follows:

CSP No. 0258-01-C would grant conditional approval to Grace Pacific Corporation to increase its facility's asphalt concrete production from 275 to 325 tons per hour and from 150,000 to 260,000 tons per rolling 12-month period. The permit would also grant conditional approval to the applicant to replace the facility's 1,085 hp diesel engine generator (DEG) with a more efficient one rated at 1,065 hp. The new DEG will result in a net decrease in NO_x and SO₂ emissions from the facility. The asphalt concrete plant is subject to 40 CFR, Part 60 Subpart I, Standards of Performance for Hot Mix Asphalt Facilities. The predicted emissions impact from the facility will comply with state and federal ambient air quality standards. The proposed modification would affect the levels of potential emissions as follows:

Pollutant	Net Emissions Change (tpy)	Significant Level (tpy)
CO	3.3	100
NO _x	-41.7	40
PM	0.6	25
PM ₁₀	0.8	15
SO ₂	-5.5	40
TOC/VOC	0.4	40
Pb	0.001	0.6

The **ADMINISTRATIVE RECORD**, consisting of the **APPLICATION** and non-confidential supporting materials from the applicant, the permit review summary, and the **DRAFT PERMIT RENEWAL**, is available for public inspection during regular office hours, Monday through Friday, 7:45 a.m. to 4:15 p.m., at the following locations:

Oahu:

- Clean Air Branch, Department of Health
919 Ala Moana Boulevard, Room 203, Honolulu, Oahu 96814

Hawaii:

- Hawaii District Health Office, Department of Health
1582 Kamehameha Avenue, Hilo, Hawaii
- Sanitation Branch, Keakealani Building, Department of Health
79-1020 Haukapila Street, Room 115, Kealahou, Hawaii

All comments on the draft permit and any request for a public hearing must be in writing, addressed to the Clean Air Branch at the above address on Oahu, and must be postmarked or received by **April 24, 2006**.

Any person may request a public hearing by submitting a written request that explains the party's interest and the reasons why a hearing is warranted. At the sole discretion of the Director of Health, DOH may hold a public hearing if a hearing would aid in DOH's decision. If a public hearing is warranted, a public notice for the hearing will be published at least thirty days in advance of the hearing.

Interested persons may obtain copies of the administrative record or parts thereof by paying **five cents per page copying costs**. Please send written requests to the Oahu office of the Clean Air Branch listed above or call Mr. Michael Madsen at the Clean Air Branch in Honolulu at (808) 586-4200.

Comments on the draft permit should address, but need not be limited to, the permit conditions and the facility's compliance with federal and state air pollution laws, including: (1) the National and State Ambient Air Quality Standards; and (2) HRS, Chapter 342B and HAR, Chapter 11-60.1.

DOH will make a final decision on the permit after considering all comments and will send notice of the final decision to each person who has submitted comments or requested such notice.

Chiyome Leinaala Fukino, M.D.
Director of Health
